Today's Gospel: Jesus said 'No one who puts a hand to the plough and looks back is fit for the kingdom of God'. He was high lighting the need for commitment, and saying that there could be no turning back. If you wish to plough a straight furrow, you must give your undivided attention to what you are doing. If you keep on looking back you won't do a good job. You need dedication and commitment. If you begin such a task, you should give it your all. All of us have put our hand to some 'plough' or other. Young people to their studies, husbands and wives to their marriage, priests to their ministry, to mention just a few. And in baptism we have put our hands to another plough—the following of Christ, or discipleship. This kind of dedication is a great challenge. It may be easy at the start. In order to persevere we need the grace of God. That grace will keep us faithful to God and to one another. God will help us to stay on the chosen road to persevere at the chosen task. Then we will know the joy of the dedicated, and in due time be found fit for the Kingdom
