Today's Gospel: Cracked 'Ring the bells that still can ring. Forget your perfect offering. There is a crack in everything ... that's how the light gets in. 'Leonard Cohen
No one is perfect. This might seem like the most obvious statement in the world, but it's important to remember. We live in a time when people's thoughts and actions are more widely recorded and open to scrutiny than ever before. A small mistake can cost someone their reputation or livelihood. An opinion expressed, particularly online, can invite a world of insults. It appears to be easier than ever to take the moral high ground, and to dismiss a person entirely based on one thing we know about them. This is not the way Jesus treated people, and it is not how he sees us. The Samaritan woman Jesus meets is all too aware of what the Jews think of her. She is nervous when approached by Jesus at the well. But he sees beyond the label to the person, the woman with a life story and a context of her own. He engages her in intellectual conversation, listens to her, and wins her over. Jesus could tell the woman everything about her life, and he knows each one of us just as intimately. He knows our past and our faults, our 'cracks'. That is why he is able to speak to us, if we resolve to try and listen. It is also an important lesson in how we should treat others.

Trócaire boxes are available in all churches since the beginning of Lent. We are invited to be generous towards the third world countries. The Trócaire organisation was established in 1973. It supports communities in their efforts to improve their lives, meet their basic needs and ensure human dignity. In a recent media statement issued by the UN humanitarian chief, we learn that the biggest humanitarian crisis in the history of the United Nations is imminent. 20 million people in Yemen, South Sudan, Somalia and Nigeria face starvation and famine. May we be generous with Trócaire this Lent.

Suggestions for your Spring Planting

The old people aimed to have the gardens dug and the seed potatoes in the ground for St. Patrick's day. Spring was well and truly on the way. As we journey through lent we are almost at the half way mark. Here are a few simple suggestions for the spring planting. **Just look at the weeds** Weed out gossip Weed out negativity Weed out indifference Weed out laziness. **Plant five rows of Peas** Preparedness Promptness Perseverance Politeness Positivity **Then plant five rows of lettuce** Let us be faithful Let us be thankful Let us be truthful Let us be generous Let us be forgiving **Then plant the reliable turnips** Turn up for Church Turn up with a smile Turn up with new determination Turn up with compassion And please God a wonderful garden can grow.
