Today's Gospel: Don't Worry They say a problem shared is a problem halved. 'Don't worry' is one of the most reassuring things that a friend can say. Isn't it a relief when someone assures us there is no need to fret or worry, that everything will be okay? If only for a moment, we can breathe a sigh of relief, take the pressure off ourselves. Even if things are messy now, we dare to hope that all will be well. The words of Jesus in today's Gospel are very reassuring. 'Do not let your hearts be troubled or afraid,' he says. 'My own peace I give you.' Jesus was speaking these words to his disciples shortly before his Passion and death. He knew the time was coming for him to leave them. All was certainly not well, and his disciples surely knew that some difficult times were ahead. But Jesus was offering hope and consolation. Don't worry, he says. I am giving you the gift of peace, a peace the world cannot give. Don't be afraid. The Holy Spirit will be with you to guide you and teach you. When our hearts are troubled and restless, let us reach for these words of Jesus. *'You have formed us for yourself, and our hearts are restless till they find rest in you'*
