Prayer before an Examination: Dear Lord, as I take this exam, I thank you that my value is not based on my performance, but on your great love for me. Come into my heart so that we can walk through this time together. Help me, not only with this test, but the many tests of life that are sure to come my way. As I take this exam, bring back to my mind everything I studied and be gracious with what I have overlooked. Help me to remain focused and clam, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today you are there with me. Amen

Todays Gospel: I am with you always, what is God telling us when He says "I am with you always?" Here are some things I hear Him saying...I am near. Don't doubt my presence for a single moment. I have promised you. I am the true and faithful God. Be as certain of Me fulfilling my promise as I was when I first spoke it. Don't doubt it. Let your heart be quiet with this assurance! I am with you because I care about you. I am with you because I love you. I am with you because I want to be with you. I am with you because I desire to have fellowship with you. There will never be a time, a moment, a second when you are without me. I am with you now. With you tomorrow. With you in the dark times. With you in the hard times. With you in the glad times. With you through all the times of your life — when you are young, when you are old, when you are busy, when you are still, when you journey and when you return home.
