**Did you ever think of becoming a priest?** God is calling people to the priesthood. Most people only have a vague idea of what the priesthood is about and what priests do. It is a life worth living! The Church needs priests: if God has called you, he has a plan for you and you are not alone. If you would like to find out more please join us this Sunday in St Mary's Church, Navan, at 4pm. No commitment, no cost. For info contact Fr Joe (Drogheda) 086 603 6506 or on Facebook: Meath diocese Vocations.

**Today's Gospel** – There's a certain definiteness in the gospel today. Like a team going on a field – to win. We are either with Jesus or against him, and this is proved in our way of life. Following Jesus means not being better or different than others. It means throwing ourselves into the everyday life and needs of people and giving what we can. It comes out also in public life. We can make our voices heard about issues which deeply affect others, like respecting and protecting life, like ensuring we care for our children in fact as well as in law, legislating wisely about marriage and in how we legislate for the care of the elderly. Jesus is asking for a definite way of life and of wanting to make a difference. Faith is more than assent of the mind, but a way of life and of trust – a way of life in not hindering others, but helping others with compassion and good deeds. Our way of life is a sharing of faith one to another – "Faith is passed on by contact, from one person to another, just as one candle is lighted from another" – Pope Francis. The people who make a difference are building blocks rather than stumbling blocks. Every good cause will have its begrudgers. The apostles themselves were like that and bit by bit realised that following Jesus can be seen in many ways, even in the giving of cold water or hot soup. Making a big difference in life is being a true follower
