Today's Gospel: Unless you are faithful in small things, you will not be faithful in large things'. The Kingdom of God is built by tiny acts of kindness, most of which are hidden. It is through the ordinary and everyday events of life that holiness happens. Holiness is something that happens to us; it is not anything we do. Just as the newly born baby will get hair and teeth, and this process cannot be controlled or rushed in any way, so it is with the work of God's Spirit within us. We are told that we cannot serve two masters. We need to look at our lives for our priorities. What is it that takes up most of my time and my money? I always seem to find time and money for the things I really want to do, or I have. I could spend hours playing a sport or at my hobby, and I could begrudge the Lord ten minutes of quiet time. This is something I should look at very seriously, and if needed, make some serious decisions about it.
