**St. Patrick's Day Parade** will commence at 3pm at Enfield GAA grounds.

**Trocaire:** We have been journeying this Lent with Mahlet (which means 'Life') and her family from Sebeya. Mahlet and her family have contributed nothing to the problem of climate change, yet they are the ones who suffer the most when the rains fail. They will benefit from a new irrigation system being built with help from Trocaire this year, helping to ensure food security for Mahlet's family and others in her village. We can make a real difference to people's lives through the small choices we make; the promise to live more simply and more sustainably. It is up to us and we can choose to be part of the solution rather than the problem. Take the option for radical love, for hope, for climate justice. *'I alone cannot change the world, but I can cast a stone across the waters to create many ripples'* Mother Teresa

**Mothers Day:** Gracious God, We thank you for adopting us into your family through the miracle of your grace, and for calling us to be brothers and sisters to each other. Today, loving God, we pray for our mothers: who cared for us when we were helpless, who comforted us when we were hurt, whose love and care we often took for granted. Today we pray for: those who are grieving the loss of their mother, those who never knew their biological mother, and now yearn for her; those who have experienced the wonder of an adopted mother's love the families separated by war or conflict. Lord, give them special blessings. Keep us united with you and with each other, so that we can be and become all that we are meant to be. Amen

**Next week: (Check rota for St. Patrick's Day)**
