Prayer on lighting a candle during November: As you hold this candle card in your hand, recall the memory of your loved one. Pray God's peace and rest on their soul. Pray also for yourself that God in His infinite love for you will give you peace of mind and heart at this time of brokenness and loss in your life. May the Souls of all the faithful departed rest in peace. O Sacred Heart grant them a place of peace & joy in your Kingdom.

Today's Gospel - Resurrection: A New Breakthrough: God breaks into life in a new way at our death. It happens in small ways every time we are transformed a bit - when we forgive, make peace, really help another, when we promise ourselves to someone or something,....this is an effect of the resurrection. But the final one is a gift unlike any earthly gift. We need to share this hope with each other. The peace you may have felt at the death of someone, the dream where the loved one was happy, the thanks you feel for another for ever...all of this brings hope even when their death is sudden or at a young age. As we place our candle at the altar for our loved ones in November, we are letting them go into what death really is - our finding our way to the arms of God. Words of Pope Francis: "Hope is not looking at a half-full glass, which is simply optimism, which is a human attitude that depends on many things. Hope is a gift of Jesus, of His very self, His very name is hope. It is Christ in you, the hope for glory". This is the eternal hope which is the root of our joy even in the losses of our lives
